PECONIC

-Peconic-

Peconic is a traditional triangle shawl that's worked from the center wingspan outward by increasing four stitches on every right-side row. The right-side-only patterning keeps the project moving along quickly. The Luster Sport yarn colors used in this design are reminiscent of the sea and sand of Long Island's east end for which this shawl is named.

- Each RS row is set up as follows: k3, *sm, work charted row; rep from * once more, sm, k3.
- Every RS row increases the stitch count by four stitches.
