

Woodland Glen Shawl

By Denise E. M. Bartels

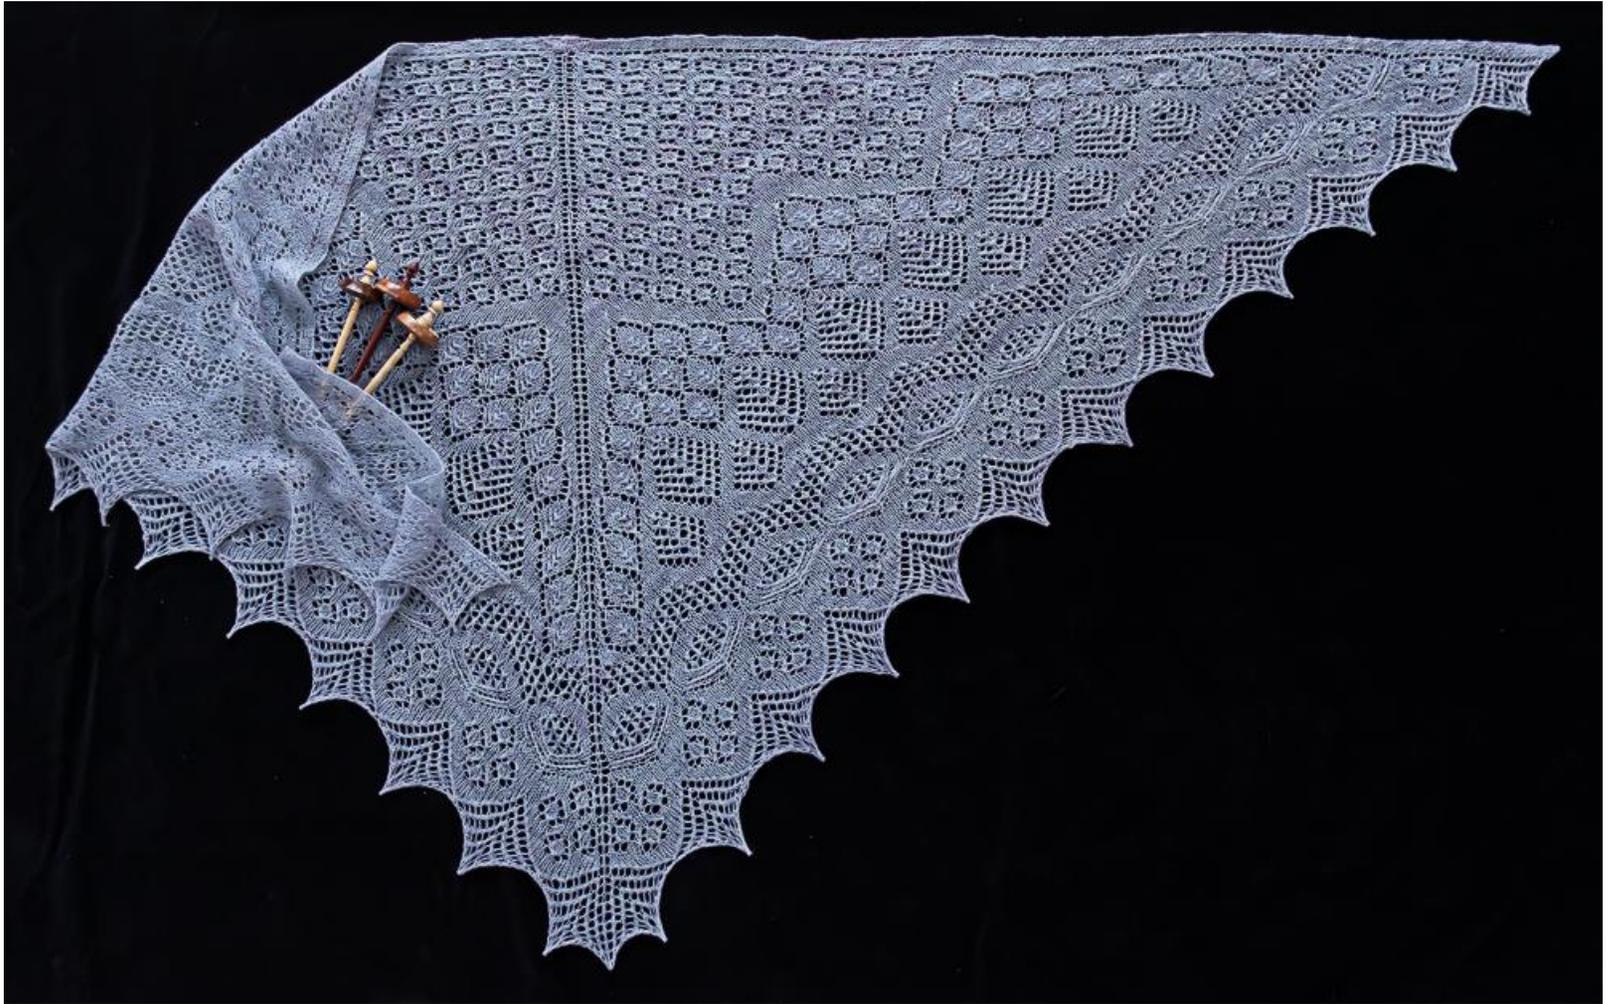

Yarn - Lace weight. I used handspun spun from Polwarth wool.

Yardage - Approximately 900 yards (110 grams).

Needles - I used US 1.5 (2.5 mm) but I knit very loosely.

Depth at Center - 35 inches.

Length - 76 inches.

I had fun playing with Shetland stitch patterns to design this shawl, and I hope you have fun knitting it. Most of the charts show only the right-side rows since the wrong-side rows are purl with seed stitch borders. The exception is Chart 5 which shows all rows because it includes a stitch pattern that is worked on every row.

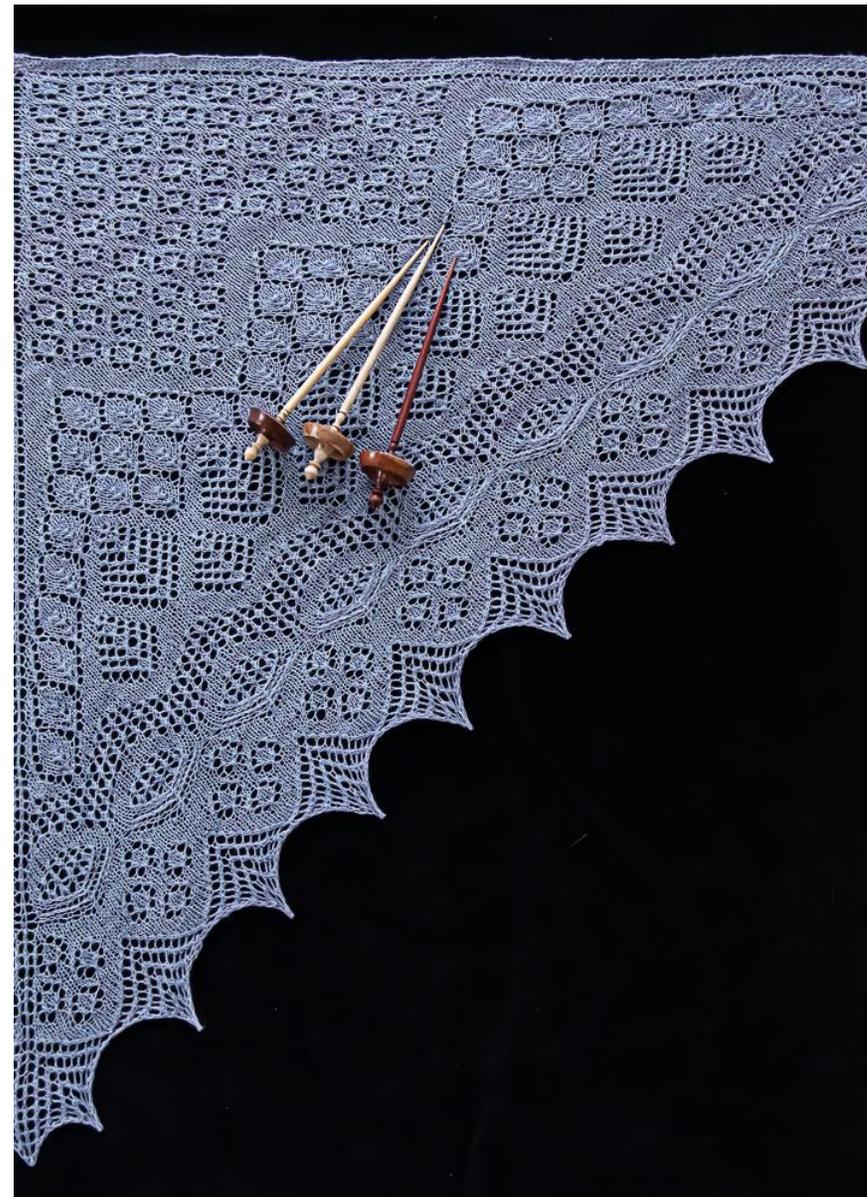

Start with a tab cast-on. I like a seed stitch edging instead of a garter stitch one because the gauge is closer to the stockinette gauge and I like the texture. Cast on 5 stitches and do 6 rows of k1, p1, k1, p1, k1. On the seventh row, k1, p1, k1, p1, k1, turn work 90 degrees and pick up 3 stitches along the side of the little tab you just made, turn another 90 degrees and pick up 5 stitches along the cast-on edge. You can also start with a provisional cast-on to give you the final 5 stitches.

Wrong-side (even) rows 2 - 192 and 206 - 230 are k1, p1, k1, p1, k1, purl to last 5 stitches, k1, p1, k1, p1, k1. Rows 194 - 204 are included in Chart 5.

Rows 1 - 80: K1, p1, k1, p1, k1, Chart 1, k1, Chart 1, k1, p1, k1, p1, k1.

Rows 81 - 128: K1, p1, k1, p1, k1, Chart 2, k1, Chart 2, k1, p1, k1, p1, k1.

Rows 129 - 172: K1, p1, k1, p1, k1, Chart 3, k1, Chart 3, k1, p1, k1, p1, k1.

Rows 173 - 193: K1, p1, k1, p1, k1, Chart 4, k1, Chart 4, k1, p1, k1, p1, k1.

Rows 194 - 204: Chart 5, k1, Chart 5. This chart includes even (wrong-side) rows.

Rows 205 - 231: K1, p1, k1, p1, k1, Chart 6, k1, Chart 6, k1, p1, k1, p1, k1. (Resume standard wrong-side rows.)

Bind off loosely and block. I bound off on the purl side using the bind off P1, *p1, slip stitches back to left needle and p2tog, repeat from *.

Notes: The symbol V is used to indicate a kfb (knit in front and back), not a slip stitch. It adds an extra stitch that, in this pattern, is removed in the next pattern row by an extra decrease. Don't worry if your stitch count does not match the number of stitches shown in the chart for rows with the kfb stitch.
