Abbreviations:

BO = bind off
CO = cast on
k = knit
p = purl
k2tog = knit two (2) stitches together
p2tog = purl two (2) stitches together
sl1k = slip a stitch knit-wise
st(s) = stitch (es)
pm = place marker
sm = slip marker from LN to RN
rm = remove marker
RN= right needle
LN= left needle
RS = right side
WS = wrong side
tbl = through back loop
tw = turn work
(wyib) = with yarn in back
w/o = without

Yarn: Laines du Nord Poema (col 21) - 150g (600m)

Size: wide - 150cm. / long - 60 cm.

Circular knitting needles: 3mm (long - from 60cm), 20 markers.

**Gauge:** 24sts and 28 rows = 10 cm x 10 cm

This scarf is seamless and is knitted from one skein of Laines du Nord Poema Yarn. After finishing work, I only have 10 meters of yarn left. In order for you to have enough of one skein, it is important to observe Gauge (you can use knitting needles 2.75 or 2.5). If the gauge of your work is other, you may to need more yarn and I recommend taking two skeins. In this case it is possible to use the yarn's leftovers to make a hat.

Note: Selvedge stitches are already included in this stitch count. Do not add any additional selvedge stitches. The direction of work is shown by red arrows in the schematics.
For this photo-tutorial I've used Yarn Tahiti by Schachenmayr.

_____

Special abbreviation:

cdd = k3tog with centered double decreases
w&tF = wrap and turn forward = wrap the following stitch this way: Knit or purl the indicated number of sts, wrap working yarn around next stitch (**from back to front**), turn and knit back in the opposite direction. It doesn't matter to knit or purl sts.

w&tB = wrap and turn backward = wrap the following stitch this way: Knit or purl the indicated number of sts, wrap working yarn around next stitch (**from front to back**), turn and knit back in the opposite direction. It doesn't matter to knit or purl sts.

As a result, the edges of the short rows look like this:

_____

Description:

CO **527sts** (26sts x 20 scales; 2x3sts - 3sts for the border on each side; 1 central stitch = 527sts)
Attention! - For this photo-tutorial I've CO 163sts (26sts x 6 scales; 2x3sts - 3sts for the border on each side; 1central stitch = 163sts)
