Begin working Chart, reading each row of the chart from right to left (note that this pattern features separate charts for each hand). Work increases as indicated for the thumb gusset.

Upon completion of Row 24 of Chart, prepare to set up for the thumb hole as follows – note that the instructions differ for each hand.

Left mitten: Work first 19 sts of Row 25, place next 13 sts on stitch holder or waste yarn, CO 13 sts in pattern using the backwards loop method, continue working Row 25 to end of rnd.

Right mitten: Work first 40 sts of Row 25, place next 13 sts on stitch holder or waste yarn, CO 13 sts in pattern using the backwards loop method, continue working Row 25 to end of rnd.

Continue working Chart until all rows have been completed, decreasing as indicated.

Break yarns and with CC yarn, thread tail through remaining 8 loops with a tapestry needle. Pull tight to close hole.

Join both yarns to pick up and knit 15 sts from the top of thumb hole (the 13 sts cast on, plus an additional stitch at each side of thumbhole), following the pattern of the first row of the thumb section of the Chart. Continue across remaining 13 sts of the Chart, and place marker for BOR. – 28 sts on needles.

Continue working the thumb section of the Chart, decreasing as indicated. Upon completion of thumb, break yarns and with CC yarn, thread tail through remaining 8 loops with a tapestry needle. Pull tight to close hole.
