Ribbed Brim

With C1 and smaller needles, cast on 90 (100, 110) sts using a Long-Tail cast on. Place a stitch marker for BOR and join in the round, making sure not to twist your sts.

Round 1: *K1, p1; repeat from * to BOR.

Repeat Round 1 until brim measures 1.5" [4 cm] from cast on edge for child version/ unfolded brim, 2.5" [6.5 cm] for adult/ folded brim.

Hat Body

Switch to larger needles.

Knit 2 rounds.

Chart

Work all rounds of chart as shown on page 2, beginning at lower right, switching colors as shown. You will work 9 (10, 11) repeats of the chart on each round. It can be helpful to place a stitch marker between each repeat, especially if you are new to colorwork.

Break all but C1.

Work in stockinette for 1" [2.5 cm].

Finishing

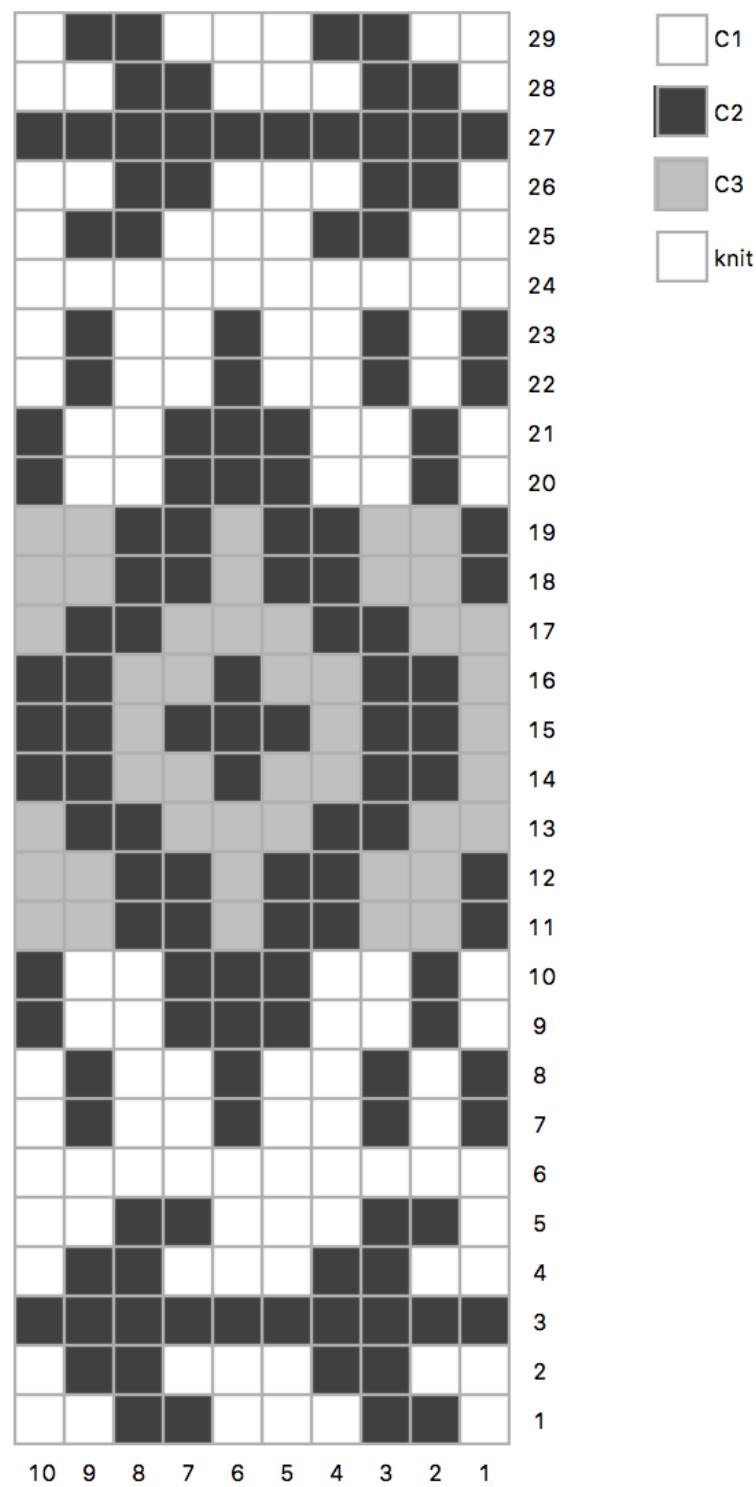

Thread tapestry needle with yarn tail, and thread through remaining sts twice, pulling tight to close crown of hat.

Weave in ends. Steam- or wet-block hat to finished measurements.

I like to soak my hats in cool water and wool wash, gently squeeze dry, and then allow to dry on a balloon that's been inflated to approximately the circumference of the wearer's head.

Attach pompom if desired.
