Joining in the round

Seamless join

Folded brim

Folded brim

Tip: In case you want to wear the hat inside out, or for a more stretchy 'seam' this technique is for an invisible 'seam': k2tog the live knit st with the corresponding purl st from the CO edge (as seen in the video), purl the next live st as normal and skip the next knit st from the CO edge. Do this in repeat to end.

Dip stitch pattern

k3b (knit 3 below) for the dip st pattern
