

# FLYING FOXTAIL SOCKS

BY STEPHEN WEST

Choose two colors of fingering weight sock yarn to knit these top-down socks. The cuff begins with 1x1 ribbing followed by a beautifully flowing two-color brioche pattern. This meandering brioche motif flows down the leg and onto the top of the foot. The remaining part of the leg is knit in garter stitch. The bottom of the foot is knit in stockinette stitch for a comfortable smooth fabric. You can easily customize the length of the leg and foot to fit your foot size. Select your circumference with five sizes to choose from and cast on these elegant socks!

# FLYING FOXTAIL SOCKS

BY STEPHEN WEST

**Sizes:** 1 [2, 3, 4, 5]

**Finished Measurements:** 6 [7.5, 9, 10, 11.5]" / 15 [19, 23, 25, 29]cm leg and foot circumference. Measurements taken after blocking.

Size 3 shown on a size US 13 / EU 47 size foot that has a 10.5" / 27cm foot circumference. The sock fits with 1.5" / 4cm of negative ease.

Socks are designed to fit an actual foot circumference of 7 [8.5, 10, 11, 12.5]" / 18 [22, 25, 28, 32]cm. The socks are designed to fit with negative ease. Choose a size with a finished foot circumference measurement that is approximately 1" / 2.5cm or 1.5" / 4cm smaller than your actual foot circumference, so that the sock will fit nice and snug on your foot.

The lengths of the cuff, leg, and foot are easily customizable by knitting more pattern repeats for a longer leg or foot or fewer pattern repeats for a shorter leg or foot.

**Yarn:** Fingering weight

**Yardage:** MC - 212 [233, 290, 376, 490]yds / 194 [213, 265, 344, 448]m  
CC - 138 [144, 160, 176, 194]yds / 126 [132, 146, 161, 177]m

**Shown in:** Mominoki Sock Fine 4ply (75% Merino Wool, 25% Nylon; 437yds / 400m per 100g skein)  
MC - Abisko (light neutral)  
CC - Schwarzwald (dark green)

**Needles:** US 0 / 2mm circular in 40" / 100cm length or size needed to obtain gauge

**Notions:** 3 stitch markers, tapestry needle

**Gauge:** 36 sts & 72 rnds = 4" / 10cm in garter stitch after blocking

**Pattern Notes:** In two-color brioche stitch, two rounds are worked for each counted round that appears on the face of the fabric. The first color is worked around once and then the round is worked again using the second color. The next round is worked the same way, once around with the first color and worked again with the second color. When counting rounds, count only the stitches going up on the knit column. For example, when you count 4 knit column stitches, that represents 8 total times that you went around with all of the stitches. 2 worked rounds = 1 counted round.

When you put down your knitting and forget which color you just used and which color to use next, look at the color of the yo in the row just worked. That is the last color you used.
