Special techniques and tips

How to knit a "welt":

<https://www.youtube.com/watch?v=YS-A91b4RQk>

Picking up the purl stitches to create the welt can
be a bit fiddly. I have compiled a few "life hacks"
by my testers to make this a bit easier:

- Pick up the purl stitches from the wrong
side, slipping them onto a thin circular
needle right after having completed round
4. After having completed round 9, you
can easily knit the stitches together.
- Thread a running stitch or a lifeline
through round 4 using a contrasting color.
This makes it easier to identify the correct
line of purl stitches.
- Knit round 4 using your contrasting color:
You can easily identify the purl stitches
that you will have to pick up (and the welt
will hide the contrasting round)

Abbreviations

BOR: beginning of the round

CC: contrast color

CO: cast on

dec: decrease

k: knit

k2tog: knit 2 stitches together (right leaning
decrease)

LH: left hand

m: marker

MC: main color

p: purl

pm: place marker

RH: right hand

Rnd(s): round(s)

RS: right side

sl m: slip marker

ssk: slip 2 stitches, one at a time, knitwise to the
RH needle; return stitches to the LH needle in
turned position and knit them together through the
back loops (left leaning decrease)

st(s): stitch(es)

Frau Keli is a casual hat, worked in the round
from the brim to the top. The "welted" brim is
worked first. A wide delicate band of textured
colorwork comes next and adds just the right
amount of interest. Once the textured colorwork is
complete, the remainder of the hat is worked in
Stockinette stitch in rounds to the crown shaping.
An optional pompom could be worked last.

Instructions

Using US 4 (3.5 mm) needle and MC, CO 116 (126, 136) sts, place marker for BOR and join to work in rounds.

Brim

Knit 9 rounds.

Next rnd: * Insert RH needle into first stitch on LH needle and into the purl bump (on the WS) 5 rounds below this stitch, knit both stitches together, repeat from * to end.

*Note: You may find it helpful to insert a smaller circular needle into all purl bumps 5 rounds below the current round and hold this needle behind the working needle, then * insert RH needle (working needle) into the first stitch on the LH needle (working needle) and into the first stitch on the smaller needle and knit both stitches together, repeat from * to end.*

Knit 2 rounds.

Finishing

Break yarn, leaving a long tail and pull yarn through remaining sts (remove markers as you go). Weave in all ends and gently block to even out stitches. If desired, work a pompom out of the leftover yarn, and attach it to the top of the hat.
