

Gauge swatch	18 sts x 60 rows on 3,5 mm needle = 10 x 10 cm in brioche stitch
Yarn	100 g Sandnes Garn Double Sunday (50 g = 108 m), or 2 x 50 g
Size	fits a head circumference of 46 – 56 cm

The hat is knitted top down. This means the pattern is ideal to use up leftovers.

#hannahat - pauli-knits

Adjusting the size

The pattern is only written in one size. Since the brioche stitch is quite stretchy the hat should fit most head circumferences. The size can be adjusted by using a thinner or thicker yarn and/ or using a different needle size. You can also knit more or less increases than written in the pattern

Brioche stitch in the round
