Special Techniques

Old Norwegian Cast On

Leaving a long tail (about 0.5"/1.3 cm for each stitch to be cast on), make a slipknot (this counts as the first stitch). Place your thumb and index finger between the yarn ends so that the working yarn is around your index finger and the tail end is around your thumb.

Secure the ends with your other fingers and hold your palm upward, making a V of yarn.

* Bring the needle in front of the thumb, under both strands around the thumb and up between finger and thumb, down into the center of the thumb loop, then toward you. Now bring the needle over the strand going to the index finger to grab it. Bring the needle back through the loop on the thumb, turning the thumb slightly to make room for the needle to pass through. Drop the loop off the thumb and, placing the thumb back in the V configuration, tighten up the resulting stitch on the needle.

Repeat from * for the desired number of stitches. Distribute the stitches over your chosen needles and join for working in the round.

Icelandic Bind Off

K1, * slip stitch from right needle to left needle purlwise. Insert right needle purlwise into first stitch on left needle, then knitwise into second stitch to catch front loop of second stitch. Draw front loop of second stitch through first stitch and knit it. Drop both stitches from left needle. Repeat from *.

Short-rows: Wrap and Turn Method

On a knit row: Slip next stitch to Right-hand needle, pass yarn from back to front, slip stitch back to Left-hand needle. Turn to work purl row, passing yarn to front of work. Tighten the wrap.

On a purl row: Slip next stitch to Right-hand needle, pass yarn from front to back, slip stitch back to Left-hand needle. Turn to work knit row, passing yarn to back of work. Tighten the wrap.

To work wrap with wrapped stitch:

For knit stitches: insert the Right-hand needle into the wrap and then into the wrapped stitch and work them together.

For purl stitches: insert the Right-hand needle from behind, under the wrap, and then into the wrapped stitch, then purl them together.
