## HOW TO KNIT THE COWL?

Cast on 136 stitches with background color.

Join for working in the round, being careful not to twist the cast-on edge.

Place marker for beginning of round and place a marker every 34 stitches (for the motif repetition later).

Work 7 rounds in 2x2 Ribbing with background color : k2 p2.

Knit the stranded design with your two yarns following the grid on next page for 73 rows, repeating the motif of each row 3 times, after each marker.

If you are not yet familiar with stranded knitting, look at this video : <https://www.youtube.com/watch?v=wJph4N6aqFs>

Be careful : don't forget to catch long floats when you have more than 5 stitches of the same color in a row.

Watch this video for more details : <https://www.youtube.com/watch?v=bD7arufsuvg>

When you're done with the 73 rows, cut foreground colour and leave a 15cm (6") tail for sewing.

Work again 7 rounds in 2x2 Ribbing with background color : k2 p2.

Bind off with a stretchy bind off technique, like «Sheena's Stretchy sock bind off » .

Watch the bind off in video : <https://www.youtube.com/watch?v=3WXsSv2E7CE>

Sew in ends.

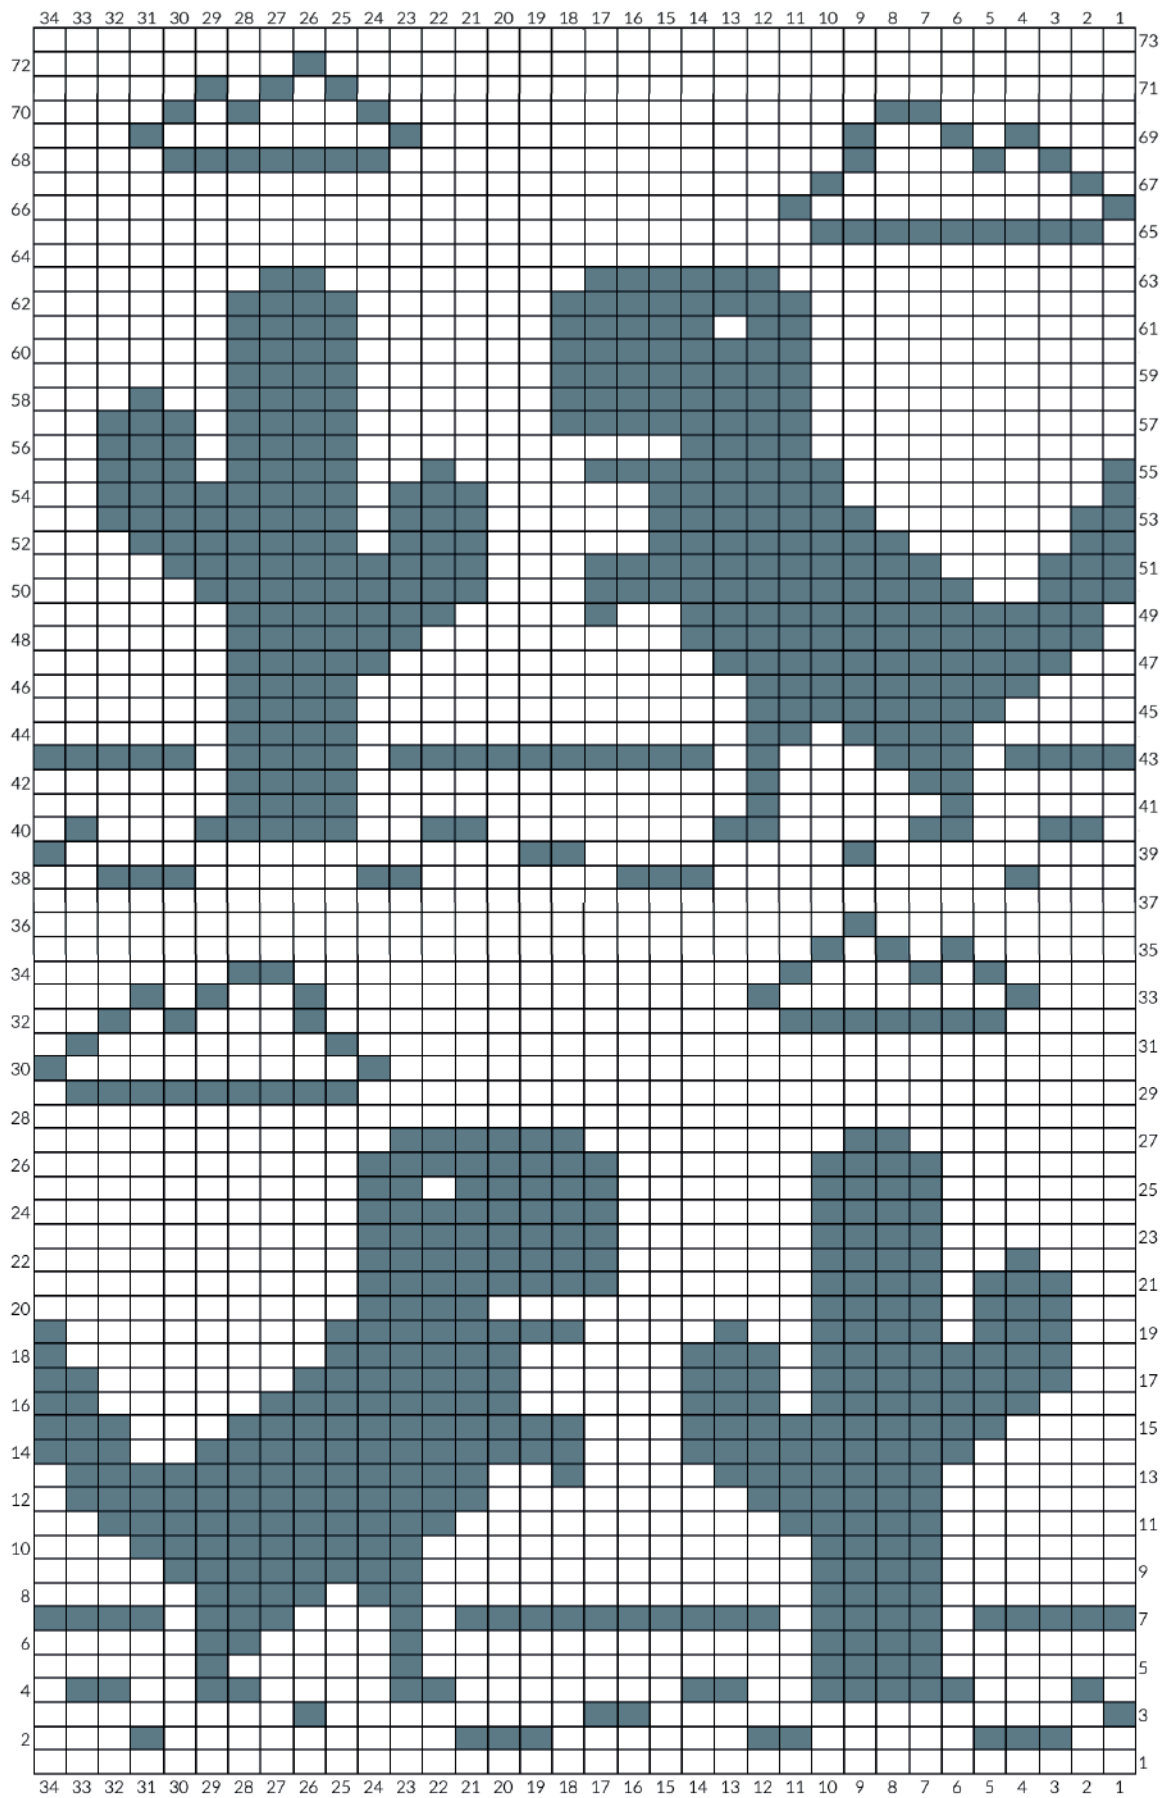

Wash and block: lay flat to dry.

Enjoy <3
