ritual kerchief

This sweet little kerchief/shawlette is designed to use one skein of Ritual Dyes Sylph, but can be easily knit to any size using any yarn! Knit end to end with i-cord ends for easy tying and an allover bobble pattern this is a relaxing, easy-to-work project that knits up very quickly.

SIZES

The measurements given are for the sample as shown using one skein of Sylph, but this design can be modified to any size using any yarn.

Width (excluding i-cord ties): 56" / 142.5 cm

Depth: 17" / 43 cm

MATERIALS

Needles:

Note - needle sizes are suggested only using the recommended yarn. You may need to use a different size to achieve gauge and should use needles that are suitable to the yarn you choose and create a fabric you like.

US 8/5.0 mm

Notions:

Tapestry needle, row counter (optional)

Yarn:

Ritual Dyes Sylph

74% suri alpaca / 22% merino wool / 4% nylon

284 yds / 260 m, 100 g

Color used in sample:

Pyrite

Yardage:

Note - yardage is estimated and may vary depending on yarn used, gauge variations and modification.

This pattern is designed to use one skein of yarn. I recommend weighing your yarn before beginning your project. You can knit the increase portion of the design until you have used just less than half of your skein, then begin the decreases.

Sample shown used 250 yards/ 229 meters.

Gauge:

14 sts and 20 rows = 4"/10 cm in bobble pattern after blocking.

Note - The gauge for this design is not too important, just knit a fabric that you like to the size you want!

Special Stitches:

5 st bobble - made as follows:

Into one stitch, kfbfb (5 sts made from 1) then pass the 2nd, 3rd, 4th and 5th sts on the right-hand needle separately over the last stitch made. Slip the bobble st onto the left hand needle, knit, slip back onto left hand needle and knit once more.
