

Roya scarf

Information:

- Yarn: 100 g fingering yarn – 100 g/400 m
- Needles: 3.5 mm circular needle 60-80 cm long or size needed to get gauge,
- Gauge: in pattern: 23 stitches = 10 cm – 34 rows = 10 cm, after washing;
Keep in mind: Gauge is not critical in this project, but will affect yardage and final size when different!
- Size: 26 x 155 cm (see measurements)
- Material: tapestry needle

Notes:

Roya scarf is a knitted small scarf, starts and ends with a triangle.

Tip: before start knitting, weigh your yarn, the first time and after row 124, the second time; the consumption for Part 1 is also required for Part 3, have this in mind.
Also determine the consumption of one repetition (row 125 to 134), this allows you to calculate how many repeats you can make with your yarn;
I recommend a scarf length of 145-160 cm.
